Celebrations the Story

Native Networks is pleased to present “Celebrations the Story” in Edmonton on February 25, 2010. *Celebrations the Story*, is a powerful presentation, featuring the Life and History of Native People of Canada.

Celebrations the Story, transcends knowledge from the beginning of time, to 500 hundred years of existence, to the present day life to empower native people.

This presentation shares over 20 years of research and work into the customs of native people. Participants are called to learn more about creation, life, death, relationships, rights of passages and the medicine wheel teachings from a holistic and traditional-based spectrum.

Embrace your heritage or experience an extraordinary cross-cultural event that promises to change your life forever.

Information has expanded to a full day Audio/Visual Presentations with the use of Story Telling, Traditional Drumming, Singing and highlighting the Native Talking Circle.

Lead Singers from the Cree, Sioux and Dene tribes will be performing a live “Native Drumming Symphony” featuring from nine-year old Aaron Letendre from the Alexis Nakota Sioux Nation.

The workshop will be held in Edmonton, Alberta at the **Fantasyland Hotel** & Conference Centre on **February 25, 2010**.
